

Bulletin 2026-2

Non-UK Competition Licences

This bulletin is being issued for regulatory reasons and no action is required on the part of competitors holding a Competition Licence issued by Motorsport UK.

The 2026 Championship Regulations are hereby varied to permit the holder of an equivalent National Competition Licence issued by another ASN to participate as a Driver in the Championship subject to:

- a) Successful completion of a UK Junior BARS assessment, and
- b) Successfully undertaking the Championship's training and competency requirements as specified in Sporting Article 5.5 of the 2026 Championship Regulations.

This bulletin is issued with the authority of Motorsport UK.
